

SQUARE 90 X 90MM

TEMPLATE GUIDE

Trim Box (FINISH SIZE)

This is the finish size. Make sure to follow the Bleed & Safe zone markers to achieve balanced print

Safe Zone: +3mm in from the trim box

Ensure no text or information extends past the safe zone.
Borders **must** fill the safe zone

Bleed Box: +3mm around trim box

Ensure the Bleed Zone includes background colours so it can print colour to edge
